

WE HONOR VETERANS

Helping Providers Care for Veterans at the End of Life

“America’s Veterans have done everything asked of them in their mission to serve our country and we believe it is never too late to give them a hero’s welcome home. Now it is time that we step up, acquire the necessary skills and fulfill our mission to serve these men and women with the dignity they deserve.”

We Honor Veterans, a program of NHPCO in collaboration with the Department of Veterans Affairs (VA) invites hospices, state hospice organizations and VA partners to join a pioneering program focused on respectful inquiry, compassionate listening and grateful acknowledgment.

By recognizing the unique needs of America’s Veterans and their families, community providers, in partnership with VA staff, will learn how to accompany and guide them through their life stories toward a more peaceful ending.

Launched in September 2010, **We Honor Veterans** provides tools and resources that encourage providers to:

- ◆ Commit to honoring Veterans at the end of life
- ◆ Assess their current ability to serve Veterans
- ◆ Provide Veteran-centric education for staff
- ◆ Measure Quality and Outcomes
