Honor Flight Dayton’s Tribute to our Veterans under Hospice Care

In addition to escorting WWII, Korean, Vietnam, and terminally-ill War Veterans from any war to Washington, DC, Honor Flight Dayton also proudly honors (1) deceased Veterans who never saw their memorials and (2) living Veterans who may never be able to see their memorials. We accomplish this at the memorials by conducting a ceremony that is referred to as Honoring Yesterday’s Heroes. It is our desire to show the respect so richly deserved to the Veterans who fall into these categories.

For those who would like to participate in this program, Honor Flight Dayton requests a 5 x 7 photo of the Veteran, preferably while in the service. As part of the ceremony, we will photograph an American flag along with the Veteran’s picture at the appropriate memorial(s).

After the trip, the family will receive an 8 x 10 color photo and a certificate from Honor Flight Dayton honoring their Veteran. The original photo will also be returned at this time. There is no charge for participating in this program; this is Honor Flight Dayton’s way of showing our respect and appreciation to our Veterans in these categories.
