E-OL Courses

Seven FREE End-of-Life Online (E-OL) courses are available for your staff and volunteer education that are convenient, efficient self-learning modules covering the latest Veteran-centric education.

Webinars

Miss out on a *We Honor Veterans* webinar or just want to listen again? MP3 downloads of past webinars are now available for you and your staff to experience on your own schedule and share in the learning anytime.

PowerPoint Presentations

Veteran-centric PowerPoint presentations (with helpful speaker notes included) are available for your staff, volunteer and community education efforts. These presentations cover a range of topics including: the *We Honor Veterans* program; Veteran issues at the end of life, partnering with VA and your community and much more.

Hospice Foundation of America (HFA)

20th Annual Living With Grief Program "*Improving Care for Veterans Facing Illness and Death*" is a 3-hour continuing education program designed to assist end-of-life care provider organizations and professionals in their understanding of Veterans and to provide new interventions to better serve dying Veterans and their families. (Note: NHPCO members and *We Honor Veterans* Partners are eligible to receive a discount for registration fee and supplemental book. Email veterans@nhpco.org to receive the discount code.)

Honor Flight, The Movie

Honor Flight is a heartwarming documentary about four living World War II Veterans and a Midwest community coming together to give them the trip of a lifetime. *We Honor Veterans* Partners can host a screening of the movie in your community to raise awareness and support for your program, Honor Flight and *We Honor Veterans*. For more information about hosting a screening [click here](#).

Education in Palliative and End-of-life Care (EPEC) for Veterans Training Modules

EPEC for Veterans Training Modules are available to equip clinicians with the attitudes, knowledge and skills to provide the best possible palliative care for their Veteran patients.

Hospice and Palliative Nurses Association (HPNA)

Palliative Care Nursing Assistant Training. HPNA developed seven 2-part interactive web courses to teach nursing assistants how to provide palliative care for Veterans. The training provides certificates upon completion of each module. Access the interactive web courses [here](#).
