The mission of the Kentucky Department of Veterans Affairs is to ensure Kentucky's 344,000 veterans and their families receive all the benefits and services they have earned. We provide benefits counseling, skilled nursing care at state veterans homes, dignified interment at state veterans cemeteries and many special programs.

**Benefits Counseling Branch of KDVA:** The first step in obtaining federal veterans benefits such as disability payments is to file a claim with the federal VA. KDVA provides accredited advocates to help file claims for both federal and state veterans benefits. We are co-located with the federal VA in Louisville. KDVA has Veterans Benefits Field Representatives stationed throughout Kentucky to help you in your community. KDVA will help you complete the required VA claims forms and will advise you on how to gather the necessary evidence in support of your claim.
