Veteran Emphasis

Our hospice service area includes Tampa and Gainesville. Neither site was aware of the We Honor Veteran's Program. We had to educate them.

We have our own Hospice for Heros program that was developed by our corporation, this program is not affiliated with NHPCO.

We have always had a good working relationship

It is difficult to tell if Veteran's admissions are up since we do not have statistics from our pre-Veteran's Program.

VA / Community interface

We partner with Orlando VA services which includes Palliative Care via Charlie Antoni LCSW Palliative Care Coordinator

We tend to defer patients back to the VA since information changes frequently and we want them to have the most up to date benefits.

Business Relationship

Doesn't happen that often and we can't

Reimbursement

Only reimburse for Routine, rarely reimburse for other levels without a great deal of difficulty. Never cover respite care.

Continuity of Care

We tend to cover patients after hours needs with our medical directors to ensure continuity of skilled ordering and symptom management.
