Hospice Quilts

Penny Quick is a hospice volunteer for Home Health Care of East Tennessee. Penny's volunteerism comes in the form of quilting, as she has made over 40 patriotic themed quilts for Veterans being cared for by Home Health Care of East Tennessee.

These beautiful handmade quilts are designed to cover the Veteran as he or she leaves the home for the final time.

Happy Hearts Veteran Ceremony

Veteran-to-Veteran Volunteers Riddle, Theresa and Bill were among the many attendees of a Home Health Care of Eastern Tennessee ceremony put on for a group of Senior Citizens who call themselves Happy Hearts.

The ceremony included an educational presentation of the We Honor Veterans program, reading of a poem, a pinning ceremony and singing of the Battle Hymn of the Republic.
