### Idaho

#### Veteran Emphasis

We are 150miles away from the VA hospital. We have a very cooperative relationship without a formal agreement or contract. We are exceedingly well connected to the American Legion in our town and have trained legion members from all branches of the military to volunteer and listen to vets stories.

We have had focused educational sessions about serving veterans at our state educational conference x2 years,including having Debbie Grassman be a featured speaker

The VA did not award a contract with this hospice so we do not receive referrals. Our patients currently enrolled with the VA are using their Medicare benefit

#### Reimbursement

We are a volunteer hospice and do not charge, nor are we reimbursed from any third party payor for our services.
