

Dear Veteran,

My name is Steven Chan, I am a Navy veteran and I am able and grateful to share my gratitude for all that you have done and sacrificed for our great country! I've never been the most patriotic person before and even during my time of service but after all these years after serving in the Navy and being a civilian again, I realize just how much people take their freedom for granted. It is all because of you and the men and women before, after and presently serving now that our country continues to be the greatest in the world. So on this Veterans Day, and every other day thank you for everything!

Sincerely,

Steve Chan
