

# WHV Level Three Resources

*“Develop and Strengthen”*

The educational tools and resources which *We Honor Veterans* provides are designed to: promote Veteran-centric educational activities; increase organizational capacity to serve Veterans; support development of strategic partnerships; and increase access and improve quality. The main goal for Level Three Partners is to develop and strengthen relationships with VA medical centers, other Veteran organizations, and most importantly other community hospices. *We Honor Veterans* has developed this list of resources to assist hospices in their journey to achieve these worthwhile goals.
